Chemistry and Immunoassay Instrument Standardization LEHIGH VALLEY HOSPITAL - POCONO

Go-Live Date: **August 1, 2023**

Description of change: Effective August 1st, new Beckman Coulter Chemistry and Immunoassay instrumentation has been implemented at **Lehigh Valley Hospital - Pocono** as part of the HNL Lab Medicine Chemistry Standardization project.

There may be modifications to reports and reference ranges as a result of the new instrumentation. All reference ranges that are affected will have a comment attached to designate the update. Please note some test calculations have been updated to reflect current recommendations.

To view new reference ranges for tests going live, click [HERE](#).
Please note: some reference ranges will be attached as a comment.

Additional Information

If you have additional questions regarding these tests, please contact Technical Support between the hours of 8 a.m. and 4:30 p.m. For general questions, Customer Care is available to assist at any time.
