Re: STATUS UPDATE - Order Codes for Total PSA Testing

Dear Valued Client,

On April 3, 2024, we announced a new, simplified order code for Total Prostate-Specific Antigen (PSA) testing. However, due to operational issues at our partner facilities, we will be reinstating the previous Total PSA test code (PSADT), which will be available for ordering again starting Thursday, May 30, 2024.

Moving forward, both the new PSAST order code and the previous PSADT test code will be available for your convenience.

If you have any questions or need further clarification regarding this update, please do not hesitate to contact our customer service team at 877-402-4221.

Sincerely,

HNL Lab Medicine
